## Medical Personnel Policies

- Our medical personnel are volunteers who are donating their time to serve you.
- Medical personnel licenses require they observe a specific discipline/respect in their actions with those they serve.
- Medical personnel are required by law to preserve patient confidentiality. That means they are not allowed to discuss treatments of one individual with another without express written consent.  
**Please do not ask them to violate their practice guidelines.**
- The TAC is apprised daily of general candidate conditions and medical recommendations without discussing individual members.
- Please advise medical personnel of all self medication, etc. in order to assure they are properly informed about your condition before making treatment recommendations for you.
- **Should you choose to self-medicate in addition to any advice received from on site medical personnel, you do so at your own risk.** A preferable course of action is to coordinate all your care through medical personnel while participating in this event.

We want you to enjoy a safe and rewarding experience during this event.

Thank you for your cooperation!
