Re: Recommendation for my student

Your Student's Name:
Your Student's Dan Bon:

I consider my student's training record, participation history and overall contributions to be worthy of their invitation to test in the Ko Dan Ja Shim Sa.

I am recommending my student to test for the following rank :

(circle one): 4th Dan 5th Dan 6th Dan 7th Dan

Additionally, they have completed the Kyo Bom Certification Study Kit or the Sa Bom Certification Study Kit. I have verified that they have completed the apprenticeship requirements for Kyo Bom or Sa Bom Certification or will do so by the target KDJSS exam date. It is my belief that they will make important contributions to the future of the Moo Duk Kwan through their instruction of others in the art of Soo Bahk Do.

I am also recommending my student to test for Kyo Bom or Sa Bom as indicated below and they acquired their Certification Kit per the time requirements. For Kyo Bom that is at least 12 months prior to the exam date and for Sa Bom at least two years prior to the exam date. [Note: TAC is providing special dispensation for the 12 month apprenticeship time requirement for 2019 KDJSS Kyo Bom candidates due to timing of the Kyo Bom program launch]

(circle one):

Associate Kyo Bom	Kyo Bom <i>(requires Kyo Sa Certification)</i>	Sa Bom	Not Applicable <i>(already Sa Bom)</i>	Not At This Time
